Sir,

I have the honor to state that there is a small temple of Sree Anjaneyaswami, known as the Sri Kotebagilu Anjaneyaswami, in the Fort, Kolar Town to which a monthly grant of 0-7-6 from Muzrai funds is being disbursed. This is the temple about which some -- grossly exaggerated and perverted accounts had appeared in the "Sampadabhudya" about which I submitted my report No:H.C.291/20-21 dated 11th July 1921 which was recorded by Government, in their Order No:1055/Muz: 311-20-4 dated 23rd August 1921.

The temple consisted only of a stone mantap without walls and the idol of Sree Anjaneya fixed within it stood on the pedestal so loosely that it was about to come down if left alone for some more time.

Seeing this, and considering the proximity of the Mohamadan cemetry close by and the exposed condition of the temple, I mooted the subject of the renovation of the temple with some of the devotees as it was not possible to provide for this work out of the State Grant and as the temple had no funds at its credit. A list was opened by one Mr. Ponnaswami Mudaliar, but the representation was so poor that there appeared to be little chance of the temple being renovated. I am glad to say however that Mr. Godidas, Agent to Messrs. Jawan Mull and Sagarmall, Kolar, who is a Jain by caste, readily came forward to undertake the work and ~~any~~ at my suggestion, deposited Rs 250/- in the Kolar District Treasury in token of his earnestness to complete the work. He prayed for permission to commence the work at once, and this request was granted, the Maramat Engineer being requested to inspect the temple and prepare a suitable plan, which Mr. Godidas wanted.

I am glad to report that the gentleman has pushed through the

work very briskly and it has come almost to a finish. The work done upto now may be estimated at Rs. 600/- and the remaining work may come up to Rs. 200/-.

The plan and estimate for Rs. 800/- prepared by the Maramat Engineer is herewith submitted for kind sanction.

As this temple has no funds at its credit and as a private gentleman has come forward to meet the moiety of the cost of the estimate, the sanction of the Government may be kindly obtained to meet the other half of the cost of the estimate viz Rs. 400/- from State Funds. The amount of Rs. 250/- above referred to was by mistake credited by him on the 10th March 22 with voucher No:6 at the District Treasury to the funds of the temple, instead of keeping it in the Savings Bank Deposit as instructed by me. It is therefore not possible to withdraw the amount for payment on the work except on a work bill after the estimate is sanctioned.

As the gentleman wants the money for immediate disbursements, I request you to be so good as to kindly obtain the sanction of Government, to draw Rs. 250/- as an advance, subject to final adjustment.

I have the honor to be,
S i r,
your most obedient servant,

Deputy Commissioner,
Kolar District.
